

K.T.B. LIQUID TIRE BALANCER

The original Liquid Tire Balancer Solution

With KTB Liquid Tire Balancer your big truck tires are always BALANCED. There are no weights to fall off! KTB Liquid Tire Balancer works with all tire pressure monitoring systems. By using KTB Liquid Tire Balancer your tire runs cooler than with lead or nickel. It also improves fuel mileage and allows no rust to form inside on your rims. You will find you get no blocked valve stems when checking your air pressure. KTB Liquid Tire Balancer easily detects valve stem and tire damage. It lubricates for perfect seal. There are no rims to wipe clean. It makes for a much easier dismount and remount! Technicians love to work with KTB Liquid Tire Balancer. Increase your tire life and usage. Increase profits. Make driving easier. Sold by the case of 12 – 32 USA ounce bottles only.
